5 easy steps to targeted traffic

Do you want to quickly and easily multiply your reach? In only 5 easy steps, you will get access to our exclusive shopping24 commerce network.

1.

Signing the contract

You send us the signed contract offer.

2.

Feed check

You create the data feed using our [Specifications](#) and we'll then check them.

3.

Tracking integration

You integrate our [Conversion Tracking](#) for optimal campaign control.

4.

Product integration

We place your products in our commerce network, focusing on the target group.

5.

Access to partner backend

You can view the most important KPIs at any time via our partner backend.

Find out more online or get in touch with us.
